

Introducing the complete Cash Receipting solution for Housing Associations, Councils and other Registered Social Landlords. A fusion of the unparalleled experience of MIS Active Management Systems Limited, together with the marketplace's "Best of Breed" technologies delivering integrated Housing Management Systems.

The result is a highly stable and scalable system providing at its core a fully integrated multi-user, real-time Cash Receipting till environment, offering one of the most stable and flexible systems available today.

Integration

ActiveH Cash Receipting provides immediate benefits to the organisation, by providing a nexus for all of your interactions with other systems. The application is designed for the collection and accounting of cash and other receipts in a cash office or front office situation. The application is aware of other modules such as rent accounting and finance and provides the appropriate levels of integration with these systems as required. ActiveH Cash Receipting delivers management control and provides an unsurpassed, unique staff friendly, user interface.

Collaboration

Developed in close collaboration with a number of Housing Associations, ActiveH Cash Receipting sets out to provide a Front Office solution tailored particularly to the needs of RSL's.

ActiveH Cash receipting is the result which, we firmly believe, will meet and exceed your expectations.

If you're looking for an easy to use, full Windows product handling rent enquiries, receipt of cash, cheques and card payments, or are just trying to ensure that your staff are able to have information at their fingertips, then ActiveH Cash Receipting is the system for you.

Big enough to deliver, but small enough to care
